# Speaking Test (Pilot\_022)

#### Part 1. Interview

#### Task A. Greetings & Introduction

Hi, my name is \_\_\_\_\_, and I'm your interviewer. How are you today?

For the record, can you please tell me your complete name and home address?

## Task B. Providing Job-Related Information

Travelers flying on passenger aircraft are putting their lives in the hands of pilots and air traffic controllers. Does the pressure of being responsible for the lives of hundreds of people affect your ability to do your job? Why or why not?

\_\_\_\_\_

### Part 2. Role-Play

Note: The test taker's callsign for all three sections is Hotel Lima five seven four seven. The interviewer should tell the test taker his/her callsign prior to starting.

#### Task A. Situation 1

Imagine the visibility at Gimpo airport is now below weather minimums and you need to divert to your alternate airport, Incheon. Gimpo Approach will be contacting you soon. Listen to the controller's message then respond.

#### Task B. Situation 2 (Picture)

Look at the picture provided. You have 15 seconds to study the picture.

You are taxiing to runway one one in preparation for departure. Listen to the controller's message, then make an appropriate response.

#### Task C. Situation 3

Imagine you have just rejected takeoff due to configuration warnings. You wish to vacate the runway and run through the checklists again. Report the rejected takeoff to the controller, then listen carefully to the controller's response and respond as necessary.

# **Part 3. Providing Information and Sharing Opinions**

### Task A. Work-Related Situation

What would you do if you could hear a controller over the radio, but you couldn't transmit any radio messages?

## Task B. Presenting an Idea about a Picture

Look at the picture provided. You have 15 seconds to study the picture.

Describe the picture in as much detail as possible. What interesting or odd details do you see in the picture?

## Task C. Stating an Opinion

Do you feel the training you receive in regards to weather, effectively prepares you to deal with the types of problems that weather can cause? Why or why not?
