

# Speaking Test

## (Pilot\_023)

### Part 1. Interview

#### **Task A. Greetings & Introduction**

Hi, my name is \_\_\_\_\_, and I'm your interviewer. How are you today?

For the record, can you please tell me your complete name and home address?

#### **Task B. Providing Job-Related Information**

All pilots will encounter several rough or severe weather situations in their career. What is the worst weather situation you have encountered? Explain in detail.

---

### Part 2. Role-Play

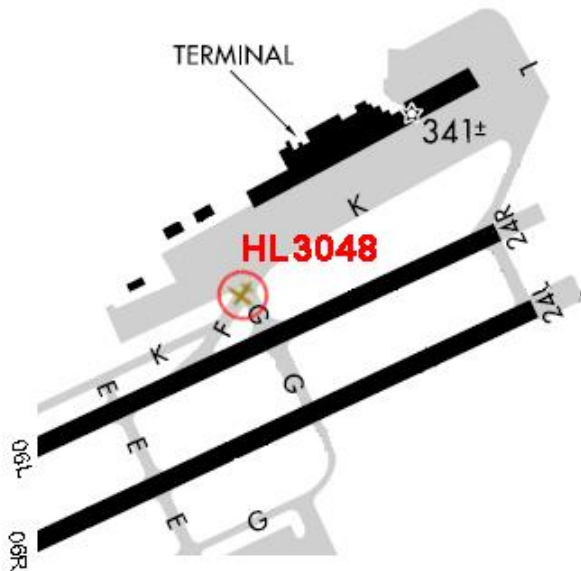

Note: The test taker's callsign for all three sections is Hotel Lima three zero four eight. The interviewer should tell the test taker his/her callsign prior to starting.

#### **Task A. Situation 1**

Imagine you have deviated from your planned course because of bad weather. You need to maintain your present heading for another fifty miles before you can return to the planned route. The controller will be contacting you soon. Listen to the controller's message then make an appropriate response.

#### **Task B. Situation 2 (Picture)**

Look at the picture provided. You have 15 seconds to study the picture.

You are taxiing to runway zero six left in preparation for departure. Listen to the controller's message then make an appropriate response.

#### **Task C. Situation 3**

Imagine you are currently climbing out on the SID to your filed altitude when you notice your battery charge light is staying on longer than you'd like. Make a request to ATC, then listen to their message and make an appropriate response.

### Part 3. Providing Information and Sharing Opinions

#### ***Task A. Work-Related Situation***

What would you do if you were on approach to land, but your airspeed indicator did not seem to be working properly?

#### ***Task B. Presenting an Idea about a Picture***

Look at the picture provided. You have 15 seconds to study the picture.

Briefly describe what you see in the picture. What do you think happened to the aircraft? How do you think it happened?

#### ***Task C. Stating an Opinion***

Regardless of position, all pilots need to undergo full flight simulator training from time to time. Do you believe the number of and the duration of these training sessions is adequate? Why or why not?
