

# Speaking Test (Pilot\_024)

## Part 1. Interview

### **Task A. Greetings & Introduction**

Hi, my name is \_\_\_\_\_, and I'm your interviewer. How are you today?

For the record, can you please tell me your complete name and home address?

### **Task B. Providing Job-Related Information**

Many pilots talk so they can exchange opinions about useful tips, and give each other advice. Who has been your biggest influence when it comes to helping you be a better pilot? Give an example.

---

## Part 2. Role-Play

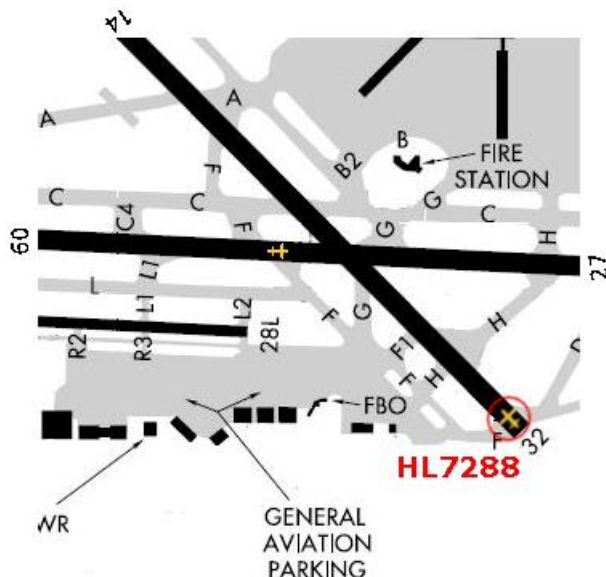

Note: The test taker's callsign for all three sections is Hotel Lima seven two eight eight. The interviewer should tell the test taker his/her callsign prior to starting.

### **Task A. Situation 1**

Imagine you are approaching your destination and have been given instructions to hold over the airport. You can accommodate ten minutes of holding before you will have to divert to your alternate. The controller will be contacting you soon. Listen to the controller's message then make an appropriate response.

### **Task B. Situation 2 (Picture)**

Look at the picture provided. You have 15 seconds to study the picture.

You are currently lined up on the runway and ready for departure when you see another aircraft moving in the distance on runway zero niner. Listen to the controller's instruction then make an appropriate response.

### **Task C. Situation 3**

Imagine you are on approach to runway two zero when you almost hit a flock of birds. Make a report to the controller, then listen carefully to the controller's response and respond as necessary.

### Part 3. Providing Information and Sharing Opinions

#### ***Task A. Work-Related Situation***

Gradual depressurization is a situation that can lead to bigger problems in the cockpit and cabin. What systems are installed in your aircraft to notify you of such a problem before it leads to the possibility of hypoxia?

#### ***Task B. Presenting an Idea about a Picture***

Look at the picture provided. You have 15 seconds to study the picture.

Describe the picture in as much detail as possible. What do you think happened to the aircraft? How do you think it happened?

#### ***Task C. Stating an Opinion***

In your opinion what are the major differences between general and commercial aviation? Explain in detail.
