

# Speaking Test

## (Pilot\_027)

### Part 1. Interview

#### **Task A. Greetings & Introduction**

Hi, my name is \_\_\_\_\_, and I'm your interviewer. How are you today?

For the record, can you please tell me your complete name and home address?

#### **Task B. Providing Job-Related Information**

In your opinion, what is the most difficult task you need to perform during a flight?

---

### Part 2. Role-Play

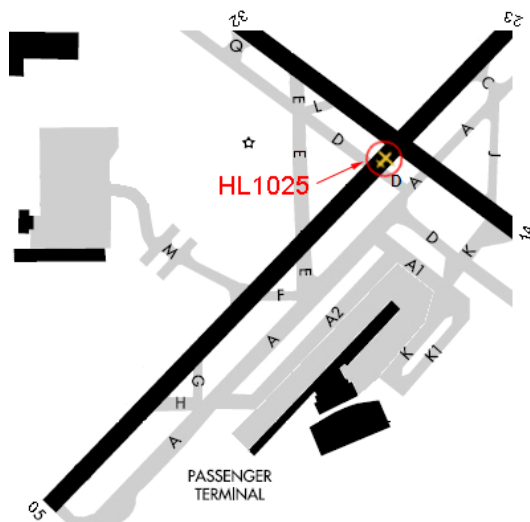

Note: The test taker's callsign for all three sections is Hotel Lima one zero two five. The interviewer should tell the test taker his/her callsign prior to starting.

#### **Task A. Situation 1**

Imagine your aircraft is heavy today, and as a result, minimum clean speed is two hundred and seventy knots. Listen to the controller's message then make an appropriate response.

#### **Task B. Situation 2 (Picture)**

Look at the picture provided. You have 15 seconds to study the picture.

You have just landed on runway zero five. You were planning to vacate the runway via Delta, but missed the exit. Listen to the controller's message, then make an appropriate response.

#### **Task C. Situation 3**

Imagine you are climbing to your cruising altitude of flight level three zero zero and wish to know if the altitude restrictions on the SID are still in effect. Make an inquiry to the Departure controller about the restrictions, then listen carefully to the controller's response and respond as necessary.

### **Part 3. Providing Information and Sharing Opinions**

#### ***Task A. Work-Related Situation***

Imagine you are piloting an aircraft during bad weather conditions. You encounter heavy rain on the climb out and you're having difficulty maintaining control of the aircraft. Soon after, the aircraft systems do not seem to be working properly. What would you do to resolve this situation? Explain in detail.

#### ***Task B. Presenting an Idea about a Picture***

Look at the picture provided. You have 15 seconds to study the picture.

Describe the picture in as much detail as possible. In your opinion, what phase of flight is the aircraft currently in? How can you tell? Give specific examples.

#### ***Task C. Stating an Opinion***

How is English language training being handled in your company? Is there an in-house training program? If so, what are the strengths and weaknesses of the program? If not, why do you think an in-house program does not exist?
