

English Proficiency Test for Aviation

(Pilot Speaking)

PART1 Interview

Task A Greetings & Introduction

Hi, my name is _____, and I'm your interviewer. How are you today?

For the record, can you please tell me your complete name and home address?

Task B Providing Job-Related Information

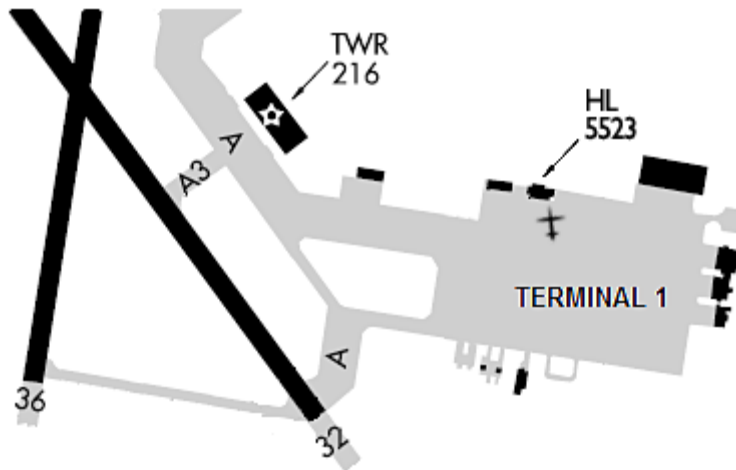

Different airlines have different policies regarding when a pilot should retire. In your opinion, should there be a set age at which a pilot should be required to stop flying passenger aircraft? Why or why not?

PART2 Role Play

Task A Situation 1

Imagine you are the pilot of Hotel Lima 5523. You have just arrived at runway 32 and have asked the controller for clearance to takeoff. Your co-pilot then informs you that he sees a flock of birds over the runway in the distance. The controller will contact you shortly. Respond to the message and inform the controller about the situation

Task B Situation 2

You are currently at the terminal, ready for departure and have requested taxi instructions from the controller. Respond to the controller's message.

Task C Situation 3

You have taken off and you're now cruising at flight level 200. You wish to change to a different altitude because you have encountered some turbulence. Make a request to the controller to change your flight level to 220, then listen carefully to the controller's response and respond as necessary.

PART3 Providing Information and Sharing Opinions

Task A Work-Related Situation

Injuries to passengers are one of the most common reasons for diversions. What would you do in a situation where a passenger suffered an injury to his head after a suitcase fell from the overhead compartment?

Task B Presenting an Idea about a Picture

Look at the picture provided.
Describe what is occurring in the picture. Why is this procedure important?

Task C Stating an Opinion

Animals can block runways or make it dangerous for aircraft to operate. In your opinion, how serious of a problem are wild animals for airport operations and what are some ways the problem can be solved?
