

English Proficiency Test for Aviation

(Pilot Speaking)

PART1 Interview

Task A Greetings & Introduction

Hi, my name is _____, and I'm your interviewer. How are you today?

For the record, can you please tell me your complete name and home address?

Task B Providing Job-Related Information

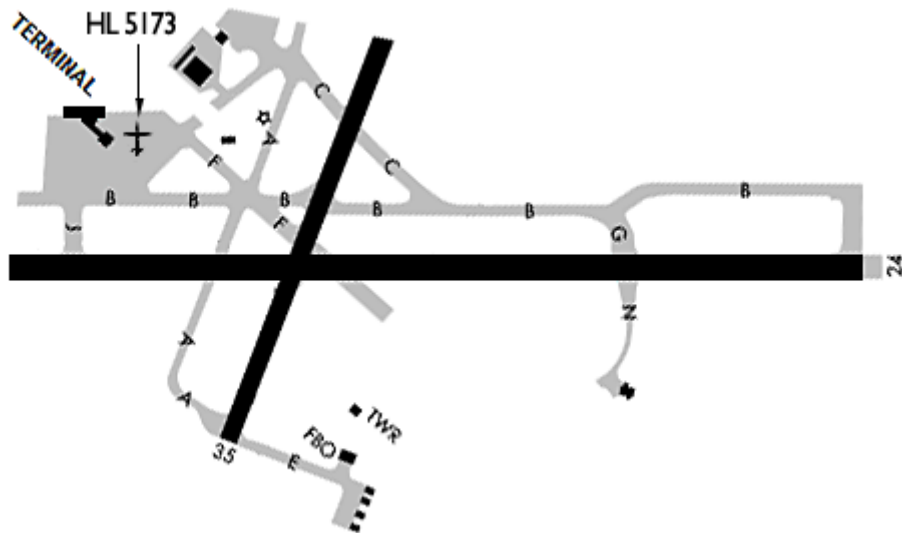

There are many young children who dream of flying in the skies. What would you tell them is the most attractive aspect of being an airline pilot? Why?

PART2 Role Play

Task A Situation 1

Imagine you are the pilot of HL 5173. You are en route to your destination when the controller calls you on the radio. There is a traffic conflict and the controller wants you to change flight levels to avoid a collision. Listen to the controller's instruction and respond as necessary.

Task B Situation 2

You have finished preparations for departure and are awaiting instructions to taxi to the runway from the terminal. However, taxiway B is closed between taxiway F and taxiway C. The controller will be contacting you shortly with taxi instructions. Listen to the controller's instruction and respond as necessary.

Task C Situation 3

You are en route to your destination when you receive a report of a thunderstorm in the vicinity. You need to deviate several miles to the left in order to avoid the storm and keep your passengers safe. Make a request to the controller to deviate 20 miles to the left. Then listen carefully to the controller's response and respond as necessary.

PART3 Providing Information and Sharing Opinions

Task A Work-Related Situation

Please describe a situation where an emergency landing would have to be made. How would you resolve the situation if you were in that situation?

Task B Presenting an Idea about a Picture

Look at the picture provided.

What do you think happened to the aircraft? How do you think it happened?

Task C Stating an Opinion

Flight simulators for the training of would-be pilots are said to provide extremely realistic images and environments. How effective do you think this training is in preparing a pilot for emergency situations that may take place in flight?
